

Services to Business

Emergency First Aid

£90.00 per person

Course Overview

This programme is designed to update a current First Aider's knowledge and provide the information to develop their skills and confidence in order to continue in the role when facing emergencies such as accidents or illnesses at work. This will therefore ensure that there is always someone on hand to correctly care for members of staff within the workplace.

Course Outline

- Primary assessment
- Rescue breathing
- Control bleeding
- Set-up barriers
- CPR care
- Shock management
- Choking
- Continuing the circle of care

Duration: 1 day

Group bookings are available.
