

# **Part Time Provision**

INFORMATION FOR PARENTS AND CARERS OF ELECTIVE HOME EDUCATED LEARNERS

# **Elective Home Educated and Looked After Children**

## **Part Time Provision**

**At all of our Colleges we offer funded, part time provision for students aged 14-16, who are Elective Home Educated (EHE) or Looked After Children (LAC).**

**This includes access to a wide range of vocational courses alongside GCSEs or Functional Skills in English and maths. Our EHE and LAC programmes are usually for around 12 hours per week, therefore are not designed to replace compulsory education but to supplement the education a child receives at home.**

We work hard to balance the diverse needs of the whole home educated community including those young people who come to home education when school hasn't been a successful learning environment.

The EHE and LAC provision at College may not be suitable for students with significant behavioural issues and those who are disengaged from education. Students who have been permanently excluded from school, or were at risk of this happening prior to de-registration from school, may be referred to an alternative provision.

### **Part Time Provision**

Each application is fully explored to ensure that every individual is on a programme which offers the best and most appropriate support to meet their needs.

To be eligible for provision at one of our Colleges, your young person must either have been in care of the local authority for more than 24 hours or have been home educated for a minimum of six months.

**For more information visit your local authorities website for Elective Home Educated;**

# **RNN Engage**

**In the first year at college with us (either Year 10 or Year 11 equivalent), your young person will be eligible for our Engage course, which provides an opportunity to transition back into an educational setting, the course will be made up of the following aspects;**

- Employability skills**
- Personal and Social Development Skills**
- Work experience**
- English and maths**
- Vocational taster – a chance to try different curriculum areas in preparation for progression and enrolment onto a full programme.**

This course is open to 14-18 year olds and appropriate for those who have social, emotional and mental health needs, as well as those wanting to transition back into an educational setting. After a successful year on Engage, EHE and LAC learners can progress into vocational areas, whether this is as a Year 11 equivalent or as a post-16 learner. Each campus will be offering vocational tasters based on the courses available on each campus. Please ensure you review our website to understand where courses are delivered.

*There is no cost to accessing this provision, however College is not funded for pre-16 High Needs learners.*

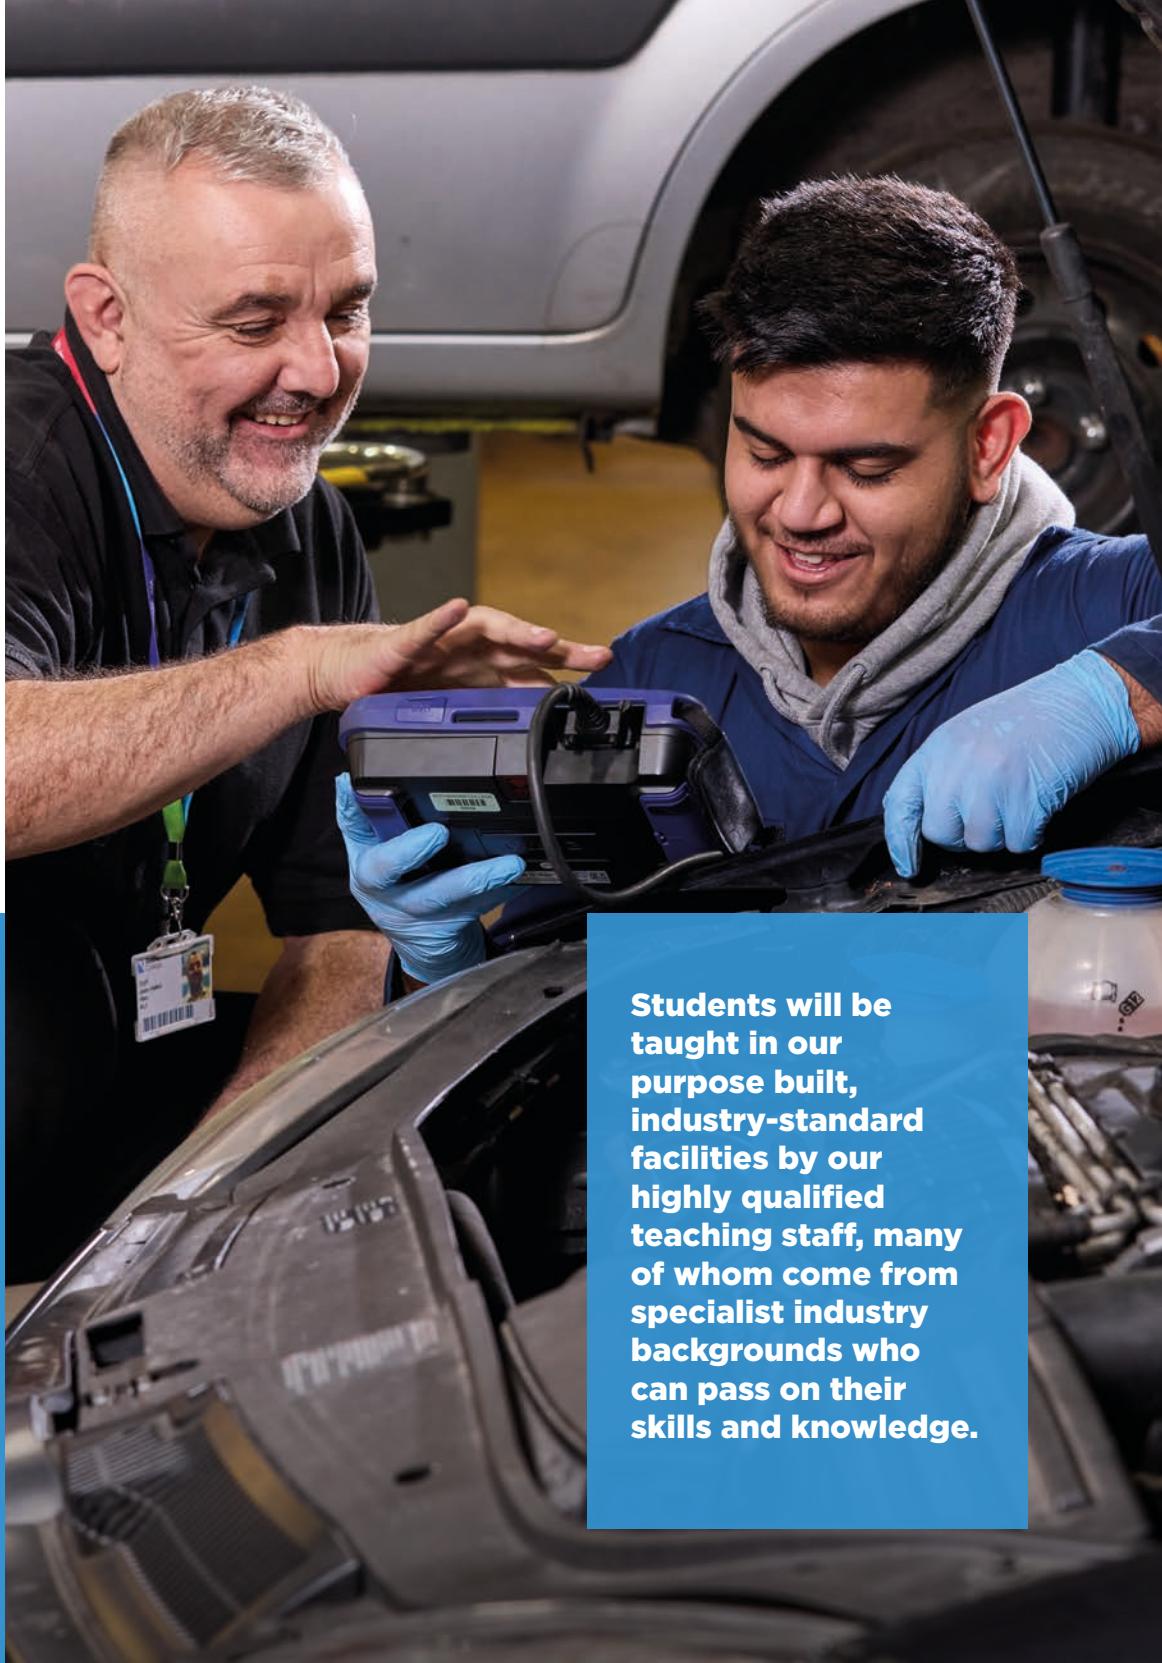

# OUR PROGRAMMES

**All of our programmes are designed to:**

- Equip students with real-life, hands-on skills to prepare them for their future career
- Develop resilience and self-awareness
- Help raise aspirations and attainment
- Support transition into post-16 education

**We have a wide range of technical options which includes Construction, Hair and Beauty, Hospitality and Catering, Land-based Industries, Motor Vehicle and Sport.**

**Part Time Provision**

**Students will be taught in our purpose built, industry-standard facilities by our highly qualified teaching staff, many of whom come from specialist industry backgrounds who can pass on their skills and knowledge.**

# How to Apply

## 1. Research

### Find the best option for you:

We have lots of useful information that can be found on our college websites. Attending our open events is a great way to find out more about where your child could be studying.

You can speak to our specialist course tutors, see our fantastic facilities and get a feel for the campus.

## 2. Apply

### Get the ball rolling:

The quickest way to apply is online via our website. You can also pick up a paper application from the college.

**Part Time Provision**

## 3. Attend

### Come and see us!

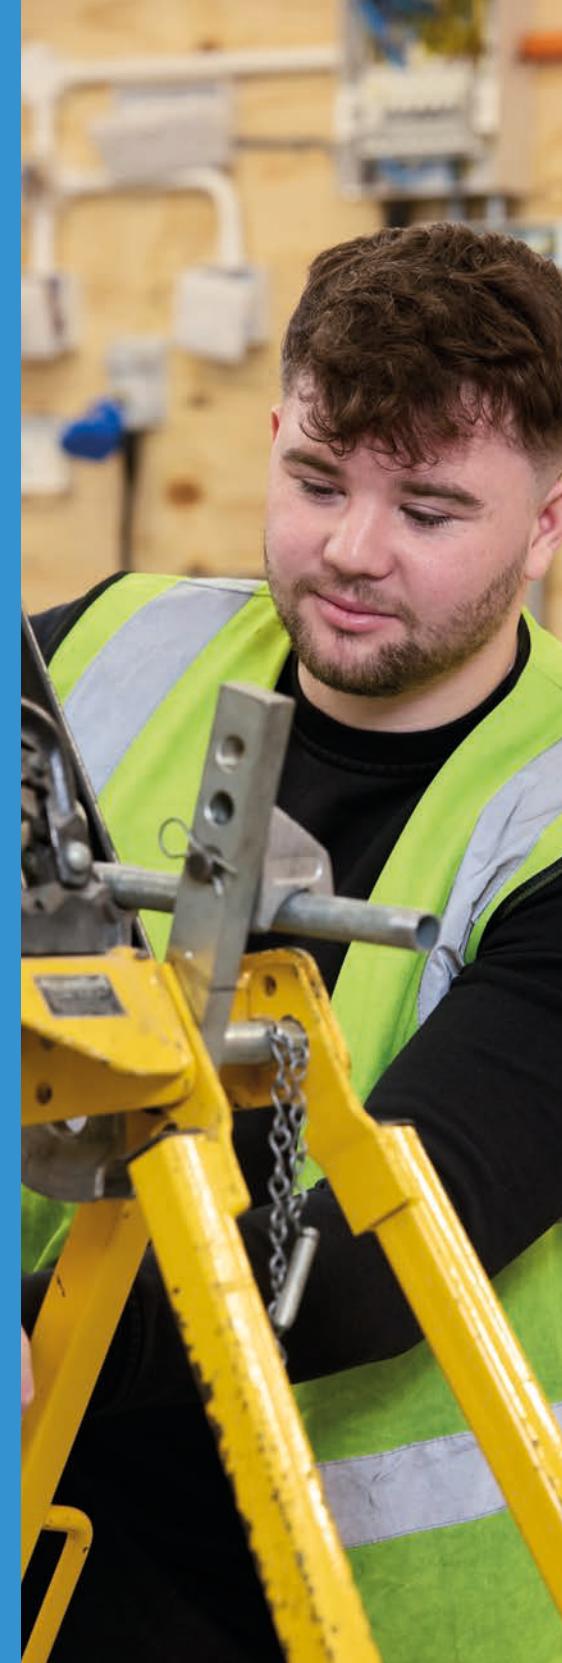

After applying, your young person will be invited to attend an interview with a course tutor to discuss their choice, find out more and make sure that the course is right for them. This will also be an opportunity to discuss any Additional Learning Support needs as part of a compulsory assessment, required prior to enrollment.

**Note:** Some courses may require you to bring along a portfolio of work and/or audition as part of your interview process.

## 4. Enrol

### Welcome:

Enrolment takes place online and is quick and easy to do. Once enrolled, you will then be contacted to arrange your start date and be issued with your college timetable ready to start in September.
