

Learn Essential Skills WITH OUR COURSES IN **ENGLISH AND MATHS**

Join us at RNN group to make everyday life easier with essential English and Maths.

English and Maths' skills are essential for work, career opportunities and life. Whatever your starting points; we have a qualification for you. A qualification will help you feel more confident, aid further studies, improve your job and career prospects and enable you to help family/friends.

We will fully support you to improve skills and confidence to reach your full potential. Programmes are varied and can be personalised to suit your individual needs. Courses range from 7, 18 and 30 weeks, including a rolling programme - classes are in the day, twilight and evening (face to face or on line) All our qualifications are nationally recognised and at all levels; including Functional Skills and GCSE .

English Language qualifications will support reading, writing, speaking and listening. Mathematics will build skills and confidence for daily use such as number work, shape ratio and proportion.

You will be taught by our professional and experienced team; within our innovative, dedicated English and Mathematics' zones.

Courses are Free up to L2. This includes anyone aged 19 or over who does not already hold a grade 4/C in each subject.
