

# Computing and Digital

## Diploma in Cybersecurity HTQ

**Campus:** Rotherham College

**Code:** RACCD009#

**Level:** 4

**Type:** Part Time

### About This Course

This qualification is designed to give learners the knowledge and associated skills and behaviours required to work in a variety of roles in Cyber Security. It will also prepare learners to progress to further study and apprenticeships in this area. This qualification is designed for learners who want to upskill or retrain within the digital sector. It is also suitable for learners who want to further their studies in the digital sector. This higher technical qualification will give learners the skills, knowledge and behaviours to meet specific employer needs and industry requirements

### What Will I Study?

The course provides students with a solid foundation in the field of cybersecurity.

This diploma covers essential topics such as;

- network security
- cybersecurity principles
- ethical hacking
- incident response
- information assurance

Students will gain a thorough understanding of common cyber threats, vulnerabilities, and risk mitigation strategies. The course emphasizes practical skills development, enabling students to implement security measures, conduct vulnerability assessments, and analyse security incidents.

### Why Study Here?

Location that people can do the course at /  
distance learning

- Hybrid learning experience
- Internal and External exams  
and assessment
- University Campus  
Rotherham

## Entry Requirements

This qualification is designed for learners who want to begin or advance their career within Cyber Security. Entry is based on prior skills/knowledge a learner must have for this qualification including having already achieved a level 3 qualification.
