

Sport

Sport

Campus: Dearne Valley College

Code: DFESP002

Level: 3

About This Course

Our Level 3 course in Sport provides industry skills and specialist knowledge of sport, nutrition, anatomy and physiology to support you into employment or further study in the industry. You will also have the opportunity to study additional qualifications such as coaching, fitness instructing and emergency first aid. This two-year course is equivalent to three full A-Levels.

What Will I Study?

- Health, Wellbeing and Sport
- Sports Coaching and Development
- Research Project
- Careers in the Sport and Active Leisure Industry
- Sports Psychology
- Anatomy and Physiology in Sport
- Nutrition for Physical Performance
- Fitness Testing and Training

Why Study Here?

Our sports teaching team bring specialist skills and experiences to the classroom, with backgrounds as managers in the leisure industry, as personal trainers and health professionals, and professional sports coaches.

Specialist teaching by our industry-experienced professionals who bring their experiences into the classroom and their teaching.

State-of-the-art, on-site sporting facilities including a sports and fitness centre, multisport cages and AstroTurf pitches, with access to a range of sports equipment and technology including a sports GPS system, timing gates, and Hi Cam Telescopic Mast Filming Systems, used to measure and analyse fitness and performance.

Access during teaching and as part of your course to the near-by Manvers boathouse and lake with access to activities such as canoeing, open-water swimming, mountain biking, orienteering, windsurfing, sailing and raft building.

Entry Requirements

- Five GCSEs at grade 4 or above, to include English and maths or a relevant Level 2 qualification
- A successful interview with a course tutor
