

Computing and Digital

Certificate in Information and Creative Technology

Campus: Rotherham College

Code: RFECD005

Level: 2

About This Course

This course is specifically designed to build on learner achievement and interest developed through related Level 1 or Level 2 qualifications in Information and Creative Technology.

The course will allow learners to specialise or to deepen their understanding through the provision of a broad range of optional specialist units providing a comprehensive and challenging programme of study related to Information and Creative Technology that is particularly suited to post-16 learners who have the relevant interest and aptitude to progress in the sector.

Completion of this course will give learners the potential opportunity to progress to employment in a wide range of job roles across the Information and Creative Technology sector.

What Will I Study?

You will study a range of topics including:

- Online World (Exam)
- Tech Systems (Exam)
- Digital Portfolio
- Creating Digital Graphics
- Website Development
- Computing in the Workplace
- Creating Digital Audio
- Creating Digital Video

- Multimedia Products Development

Why Study Here?

- Learn from industry-experienced and well-qualified tutors who have spent many years in both teaching and the industry sector. They also have specialist qualifications and knowledge to bring to their teaching
- Participate in work placements to boost your skills
- Take part in cross-college events
- Hear from a range of guest speakers and benefit from our industry specific qualification
