

Hair and Beauty

Hairdressing

Campus: Rotherham College

Code: RFEHB001a

Type: Full Time | Part Time

About This Course

Even in difficult economic times people still need to get a haircut. In terms of job security, hairdressers are almost guaranteed a job for life! Keeping your training and education up to date, stay up to speed with trends and grow your social network, and you'll never be short of work.

Our curriculum is designed to meet the diverse needs of the demographic area. We continually observe and expand new and emerging trends. We challenge ideas and forge links with employers and influencers in the industry.

Most people think they have an 'idea' of what Hairdressing is about?

Interesting fact: The founders of the development of hairdressing are the ancient Egyptians. They dyed their hair with henna and bleached it, and made a perm on the Kalamis iron rod.

When qualified as a hairdresser or Barber you join one of the largest clubs in the world! Hairdressing is a way of life and each day will be a different learning experience.

Most of our hairdressing students would say that 'the learning experience with us has changed their life'

What Will I Study?

When embarking on our courses, you'll have the opportunity to develop a range of skills, not only in hair but also life skills for example;

- Communication
- Retail development
- Promotional services and product knowledge
- Customer engagement skills

You will have the opportunity to study on many levels in the discipline of hairdressing, Level 1 through to Level 4 will take you on a journey of discovery and realisation that knowledge and skills go hand in hand.

Barbering services will give you the tools to compete in a fast-paced industry enabling you to gain full-time employment.

- Skills are measured by a number of assessed practical assignments
- Knowledge is assessed by online multiple-choice examination

Why Study Here?

To experience realistic working practice in our state-of-the-art salons. Work with industry experts and collaborate with market leaders.

You will have the opportunity to build your portfolio to boost your online presence.

You will be trained and prepared to compete at a high level and most of our students can work independently and go on to own their own businesses.
