

Construction

Apprenticeship Bricklayer

Campus: North Notts College - Worksop Campus

Code: NFECN002

Level: 2

About This Course

The broad purpose of the occupation is to lay bricks and blocks, sometimes utilising modern methods of construction and pre-manufactured elements to construct walls.

Bricklayers carry out simple setting out, prepare mortar and use a trowel to lay bricks. Mortar and applying damp-proof materials to complete the project to specification and required design. Bricklayers use spirit levels and plumb lines to check building alignment, using hammers and chisels to shape and trim bricks or blocks. Bricklayers are typically situated working outdoors on construction sites.

What Will I Study?

You will study a range of topics including:

- Health
and safety
- Customer
service

- Communication
- Buildings
 - Different types of construction methods
- Energy
 - efficiency
- Materials
- Alternative
 - construction techniques
- Preparation
 - of materials
