Rotherham College

Computing and Digital

Diploma in Esport

Campus: North Notts College - Worksop Campus
Code: W04SP08
Level: 3

About This Course

Designed

for students aiming to enter the esports industry, this course provides

specialist knowledge and skills to support your development, whether toward

employment or further study.

Throughout

the programme, you'll learn about digital technologies, including gaming and

streaming platforms, while collaborating on live projects with local businesses

in the esports sector.

What Will I Study?

Over two years, you will study various units
including:

Year 1

- Introduction to Esports
- Esports Skills, Strategies and Analysis
- Enterprise and Entrepreneurship in the Esports Industry
- Health, Wellbeing and Fitness for Esports Players

Year 2

- Esports Events
- Live-streamed Broadcasting
- Producing an Esports Brand
- Video Production
- Games Design
- Business Applications of Esports in Social Media
- Shoutcasting
- Esports Coaching
- Psychology for Esports Performance
- Nutrition for Esports Performance

Why Study Here?

- Learn from industry-experienced staff with strong links to the esports industry

- Links with local esports organisations and businesses

- Code Club and Esports-specific events

- Regular live client briefs and opportunities to collaborate with industry professionals

- The chance to compete in national and international esports competitions

- Field trips to esports events and industry-related locations

Entry Requirements

Before enrolling on this course, you will need to have:

- Five GCSEs at Grade 4 or above, including English and Maths (preferably at grade 5).

- Level 2 Computing or equivalent at Merit or Distinction, and suitable GCSEs.

- GCSE Computing is an advantage
