Principles of Dementia Care

Principles of Dementia Care

Campus: Distance Learning
Code: DLAC014
Level: 2

About This Course

This course will enable you to develop your knowledge of the different forms of dementia and gain an appreciation of taking a person-centred approach to dementia care and support. By introducing issues surrounding equality, diversity and inclusion that are fundamental to person-centred care, the qualification will enable you to recognise the individual needs and preferences of people in your care. The programme will raise awareness of the differing communication needs and abilities of people with dementia and the ways in which care providers can improve well-being through positive interactions. It will also provide an insight into the administration of medication to those who may have specific needs because of their dementia.
