Computing and Digital

Access to HE Diploma (Computing)

Campus: Rotherham College
Code: R04AC05

About This Course

Studying this programme will allow you to build up your academic skills and confidence while providing you with the knowledge you need to progress onto studying computing in Higher Education at college or university. This one-year course is aimed at learners aged 19 or above.

What Will I Study?

- Components of Computer Systems
- Database Development
- Networks
- Project Development
- Software Development
- Spreadsheet Modelling
- Systems Analysis
- Website Design

Why Study Here?

You will work on live client briefs and be taught by industry professionals, who will guide you on your journey to becoming a digital practitioner. You will have access to our industry-standard facilities which includes PCs for stripping and re-building.

As well as gaining invaluable work experience, you will participate in projects such as PC repair clinics and code club and develop skills such as employability and team working.

There will be the opportunity for you to take part in national and global competitions as well as field trips, which have previously included visits to the Bradford Media Museum and gaming events.

Entry Requirements

- GCSE English and Maths at grade C/4 or above or equivalent
- Successful interview with a course tutor
- You must be 19 years or older
