

# Media and Photography

## Creative and Digital Photography

**Campus:** Rotherham College

**Code:** RFEMP004\*

**Level:** 3

### About This Course

This course has an emphasis on practical hands-on work and will provide you with an experience that balances the development of both the creative and technical skills involved in the creation of photographic imagery.

As new emerging young creatives you will be introduced to the full creative potential of the photographic medium. Our team of specialist practitioners will support you in your development as image makers by providing you with a foundation of technical, creative and academic knowledge.

You will be introduced to the contemporary and historical themes that underpin contemporary photographic practice, providing you with the knowledge to progress successfully onto our media, moving image and photography degree course or gain employment in the creative industries.

You will work on live client briefs, such as producing advertising stills for commercial clients and working with models to produce look books. Your work will be exhibited in our photography festival, published on our online photography website gallery with the possibility of being entered into national and global competitions.

### What Will I Study?

You will develop a range of skills including:

- Studio Photography including Portraiture, Advertising and Experimental Photography
- Traditional Photographic Methods and Darkroom practice
- Digital Photographic Processes
- Industry-standard Software including Adobe Photoshop, Lightroom and Premiere.

- A Professional Portfolio for Progression into Higher Education or Work in the Creative Industries

## Why Study Here?

- On this course you will work with industry-standard facilities and be taught by industry professionals who will guide you on your journey to becoming a creative practitioner
- You will have access to professional standard studios and equipment including: professional studios, darkroom, digital editing suites, scanning stations, large format printing, Canon and Nikon DSLR cameras, 35mm film cameras and full Adobe creative suite.
- Each year our students participate in field trips which have included visits to Madrid, London, Berlin and the Peak District, as well as visits to national galleries and photography festivals
- You will work on live client briefs, such as producing stills for commercial clients and working with models to produce look books. Your work will be exhibited in a college photography festival, published on our online photography website gallery with the possibility of being entered into national and global competitions.

## Entry Requirements

5 GCSEs at grades 4 and above including English and maths or a Level 2 qualification in a relevant area.

## How To Apply
