

Hair and Beauty

Permanent Hair Removal and Skin Rejuvenation

Campus: Rotherham College

Code: RACHB002*

Level: 4

About This Course

This course is for adults aged 19 or over and will be taught on a Monday.

You will learn about the physiology of aging, study relevant anatomy and physiology and health and safety practice. You will also develop the skills to consult with and manage clients, as well as how to provide a range of advanced beauty treatments. These include basic and advanced epilation along with laser and Intense Pulsed Light technology (IPL) applications, which will enable you to make informed decisions on hair removal and skin rejuvenation.

What Will I Study?

- Electrical Epilation
- Advanced Epilation Techniques
- Laser and Light Treatments for Hair Removal
- Laser and Light Treatments for Skin Rejuvenation
- Management of Health, Safety and Security in the Salon
- Physiology of Ageing
- Quality Management of Client Care in the Hair and Beauty Sector

Why Study Here?

- Learn from industry-experienced and well qualified tutors who have spent many years in the Beauty Therapy sector, and have specialist qualifications and knowledge to bring to their teaching

- Participate in regular work placements to boost your skills
- Take part in cross-college events
- Hear from a range of guest speakers from the beauty industry
- Benefit from our exceptional employability links with the beauty industry

Entry Requirements

- GCSE grade 4 or above in English and maths. There are opportunities to study for your English and maths qualifications if you do not hold them already at the expected level.
- Beauty Therapy Level 3 qualification
